

Select Child Care

SICK CHILD POLICY

I appreciate that as a working parent you need to be able to go to work, however if your child is unwell then they will be better cared for in their own home with a parent. We are happy to care for children with minor coughs and colds but will not care for children who are very unwell, infectious or running a high temperature. We have to go out each day to do school and pre-school runs and need to consider the welfare of all the children in my care.

If your child has had a bout of diarrhoea or sickness in the last forty-eight hours please do not bring them, but call and let us know.

If your child becomes ill whilst in our care, we will make them as comfortable as possible, whilst trying our best to prevent cross-infection to the other children in our care. we will contact you immediately and continue to care for your child until you arrive.

We are happy to administer prescribed medication with your written permission - please see our Medicine policy.

We will contact you if a member of our team is not well, inform you of the illness/symptoms and if we are able to work. This then allows you to make an informed decision as to whether to bring your child or not.
